CLIENTS TESTIMONIALS

amazon

Chetan Ram (IT Manager)

“ We are happy with service, past 2.5 years. We are connected with Adtech Solutions as a managed leased line provider. Adtech Team work hard during our peak events and festive seasons as committed. Excellent Service Support ”

Flipkart

Kiran S. (Head Manager-IT)

“ By deploying ADTECH we were able to meet all the business and entertainment needs of our customers. Adtech has been managing connectivity provider from the past 5 years. Adtech has made connectivity possible even in the remote of locations across PAN India.”

CLIENTS TESTIMONIALS

Bharat A.K. (Manager-IT Infrastructure)

Adtech has pioneered & disrupting the market with their innovative solution offerings. The scalability and reliability of their Managed Services has enabled us to become leaders in the shared, co-working ecosystem. Adtech Solutions is our trusted partner for bringing in a transformational change in the way people collaborate and innovate in a plug-and play space”

Anil Prasad (IT- Manager)

Adtech managed service, the best service we had ever encountered. We are delighted to have a great service partner. Fast links delivery on prior basis & commissioning at every location as well as in remote site with high speed connectivity. Trusted & Committed.

CLIENTS TESTIMONIALS

Endress+Hauser 

People for Process Automation

Pankaj Patil (Manager-IT Infrastructure)

“Adtech Solutions has been one of our connectivity partner for the past 4 years. The speed at which the RF links were commissioned at remote bank branches across the country was commendable. ADTECH Team is always accessible for escalations in case of any critical issues on service support or commissioning.”

JAGUAR

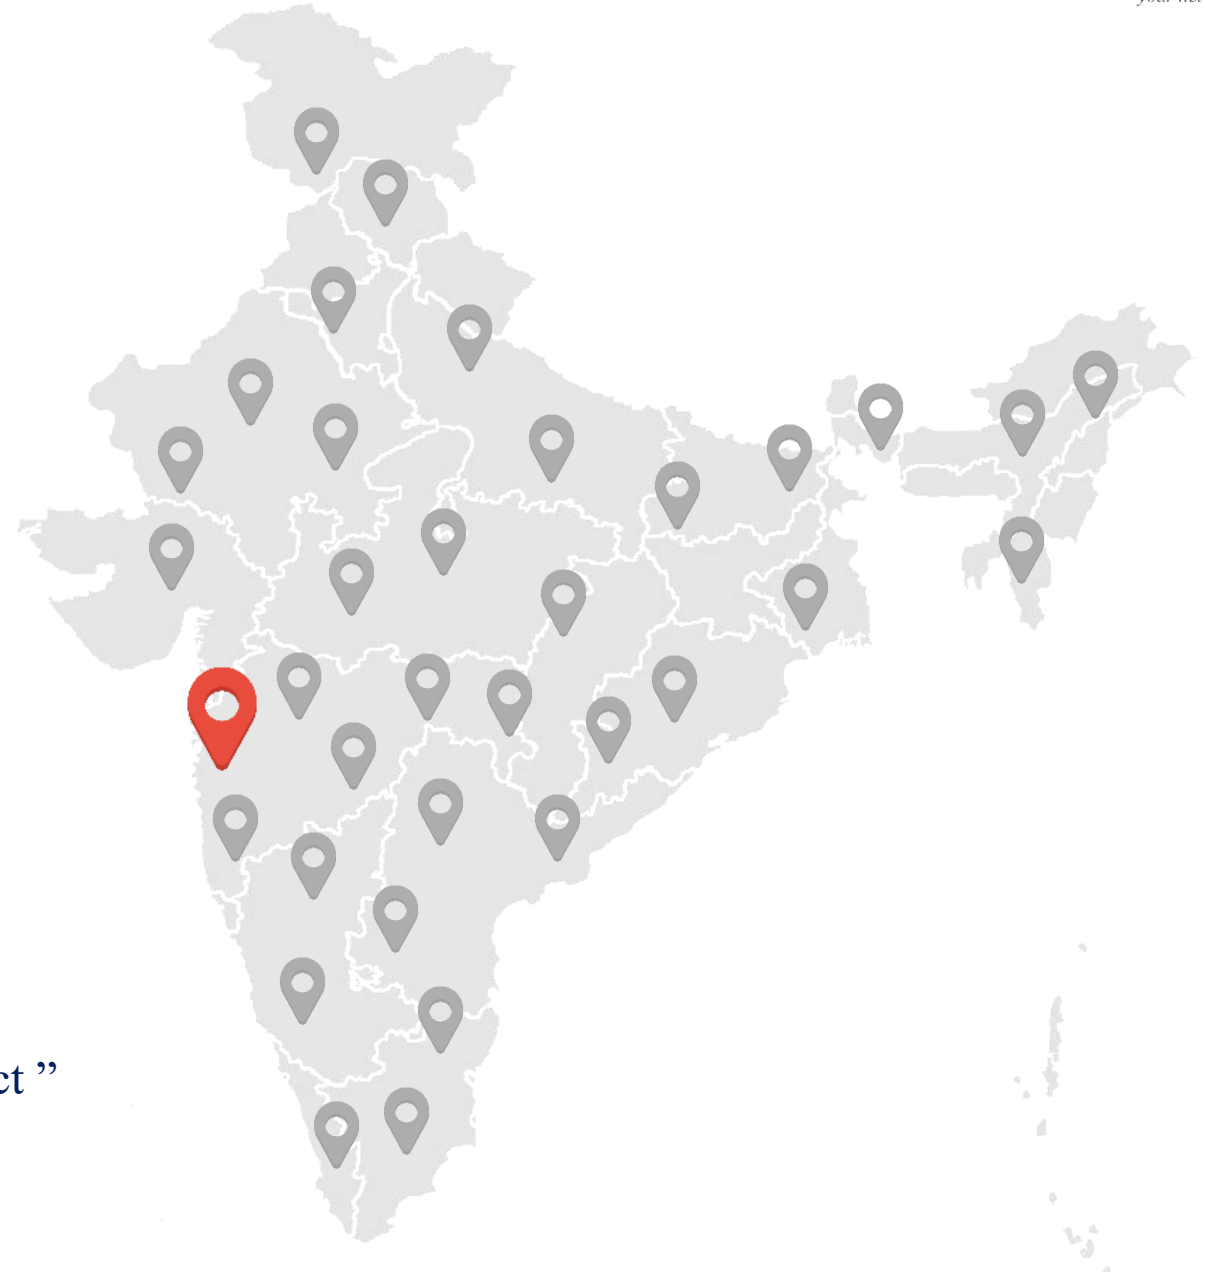

Sumit Paul (Head HR & Compliance)

“We have switched over to Adtech managed services in 2014. Adtech has managed and provided us MPLS VPN and internet on RF and Fiber at all our locations at an amazing speed. The support infrastructure across the country is excellent.”

OUR PRESENCE

- Multiple Point of Presence across PAN India.
- **50+** Corporate Projects.
- **1000+** Commercial Clients.

“ We are Flexible across PAN India ”

“ Any Location, We Connect ”

At Adtech we don't just work for Customers,

We partner with them.
